

# **Stop Wasting Time With Satanism and fraudulent Tempel ov Blood aka Tempel ov Jews aka Tempel ov Magians aka Tempel ov Pedophiles aka Tempel ov Feds -- They are Sinister Magians or Jews, Perverts, Creeps, and Freaks of Nature LARPing as O9A**

The Tempel ov Blood has taken over the Order of Nine Angles. They have infiltrated it like they did with National Socialism for the purposes of (a) LARPing -- i.e. pretending to be evil (evil means to go beyond ones own limits moral, physical, spiritual, mental and emotionally to evolve yourself to a higher not lower animalistic state like most Tempel ov Blood members, associates or sympathizers confronting your shadow self or darker side without it consuming you or causing you to go to prison for decades, without raping children or women or abusing women or children in general, nor living a life of hedonistic pleasure sexual or otherwise), (b) turning people into sexual predators or serial killers or rapist and serial killer wannabes -- such as they did and do with individuals of the Un-Satanic Front i.e. reverse Nazarenes, or (c) hurting, harming, manipulating, deceiving, or otherwise using others for purposes of sexual pleasure, self-gain, or their own selfish personal goals such as creating a breed of human which is emotionless ape-like troglodytes who are one step above animal. Not as in Nietzschean terms going beyond one's sense of good and evil. As an example of what is beyond good and evil consider love. Love goes beyond the good and evil of what is normal or suitable in today's society. Love is indeed our aim not hate, not rage, not sadness and not self-destruction. They are harming, hurting, manipulating or otherwise using individuals such as teenaged girls nowadays for sex, money, etc.

When The Day of the Long Rope comes all ToB members will be strung up by the neck by genuine National-Socialists or working in the penal colonies we've reserved for sub-human degenerates as this.

They are not Aryan in spirit and not in body most of the time either. What they are is subhuman dross that in older times would be culled and otherwise made an example of.

It's all thanks to individuals such as Chloe Ortega and Nameless Therein that they have came to power. Given I still respect Chloe Ortega for her service to the O9A as a Dreccian but most Dreccians today have gone on to become Rounwythas not as they are nowadays operating online: abusing women, children and others for financial and personal gain. All to create some sickening and disturbing "Dark Aeon" of the Iron Gates where pedophilia, rape, murder, and genocide are championed as noble, beautiful, 'Sinister', etc.

The original meaning and purpose of the Sinister Dialectic of History was to oppose all that was pre-dominant in a society or to cause it to downfall for the building and foundation of an Aryan Civilization that would colonize the Stars and Galaxies of the Cosmos. Instead what we have is a genuinely

disgusting perverted and distorted Aeon arising due to the influence of the Judaic (Magian) whose Ethos is that of the troglodyte or caveman.

The truly Strong have no need to fear each other because we all know that we are Strong only the Weak who are Judaic in spirit and most of the time Body. And this morality or mentality is that of the slave or serf. To be a fanatical loyal devoted follower of some ideology or -ism or abstraction such as National-Socialism itself but also because they lack the understanding as they do of the Western Aeon and it's currents because they are not genuine Adepts, Masters, or Lady Masters.

Instead what they are is un-Satanic Devil Worshipers who in actual fact and practice do not worship the Devil who is not an archetype of unbridled hedonism, immorality, perversion, cannibalism, pedophilia, or racial hate. Instead what it is originates from the Ancient Greek term "diabolos" for adversity or adversary which in the personal sense meant overcoming fate in hubris which often lead to suffering for the community or individual which then evolved it to a higher state or if it failed to a lower sub-human state or the death of the individual. This is also numinous in the dark tragic sense (read Antigone trans. by David Myatt). And in the lightly numinous by manifesting such things as love, respect, self-mastery, physical fitness, control of your own mind, etc.

I was Tempel ov Blood for 10 Years and I will reveal all I know about them openly so you can avoid them destroying your life and the lives of others. They abuse others, promote pedophilia and sexual perversion -- such as "Sinister Sodomites" nowadays and "Sinister Magians" or literal Jews who seek to infiltrate and subvert the actual O9A.

And who is the actual O9A? Those amongst us such as myself and others who have grown out of the need for Neo-Nazism (not genuine National-Socialism which is not racist and of the numinous and not Nazarene it is Pagan) but they are and have continued to distort and mislead others even those amongst us who are natural empaths and free from abstractions such as good and evil, or good and bad, morality, ethics, politics, and other such things.

The key point is here they lack any honour, loyalty, love, devotion to each other and a common goal. Instead they have a very disgusting perverted Jewish way of seeing things. And yes all Jews are disgusting for their beliefs such as Zionism and the Talmud.

The genuine members of the ToB such as myself and others were misled, abused or otherwise used to achieve aims by Joshua Sutter which included beating, harming or hurting women for sexual or others for pleasure -- which he would film or ask us to film for his own sexual pleasure or enjoyment then out of greed or fear turn it over to the FBI and have someone or some group arrested like he did with AtomWaffen Divison and created via these machinations such disgusting perverted groups as RapeWaffen -- either that or he would lie about us being pedophiles, rapists, drug addicts, etc. and pass on such lies to federal agents or police as well leading to a needless investigation and lifelong police harassment. As he encouraged never fell into that trap of becoming human monsters or predatory. We instead grew to become by our own devices and in spite of Joshua Sutter genuine National-Socialists, Jihadists of the true genuine path of Islam, and followers of the Numinous Way.

If you are not following Reichsfolk, the Numinous Way, Gnosticism, Sufism, Buddhism, Athenianism, Hermeticism, or Paganism in the genuinely Ethical Non-Racist Transcendental Nietzschean forms are

creating for themselves a personal Hell which will either lead to more suffering, prison time, financial loss, or social ostracization with a dulling or numbing of their own emotions or empathy or it will lead to the rise of a new Tempel ov Blood called the Temple of Truth. A project I am working on which takes the genuine Vedic and Gnostic elements of the Tempel ov Blood and recreates them for genuine National Socialists and genuine Bodhis/Sufis/Gnostics/Hermetics for the sole purpose of acausal knowing like Mr. Myatt's Numinous Way Philosophy.

Or it will lead to the horrific emergence of an age of pedophilia, drug addictions, incest, etc. i.e. make the end of the Kali-yuga appear which point the truly perverted creeps amongst us will be executed en masse by Vindex i.e the Kalki avatara and his Dreccian Tribes.
